Training Information

Training is an important part of any sport. It gives players the opportunity to develop their skills, learn game strategies and build a strong rapport with their teammates.
To help training run smoothly, please ensure your child comes prepared with everything they would need on game day, including their **hat, glove and water bottle**.

Under 8s Training Roster

This year, our Under 8s will be trialling a **training parent roster**. Each week, coaches will send out the drills that will be covered at training, along with the parents who have been allocated as helpers for that session. This is a new strategy the club will be trialling, similar to the parent involvement in Auskick.

The training parent roster has been developed to encourage greater parent involvement and provide additional support to our coaches, particularly in the younger age groups. Coaching a group of around 12 little ones can be quite challenging when working alone, so having a few extra helping hands will make a big difference and help training run more efficiently.

At this stage, the parent helper roster is only being trialled for **Under 8s**. However, our **Under 10s and Under 13s coaches** may also choose to introduce a training roster if they feel it would benefit their sessions. This will be at the individual coach's discretion.

We really appreciate our families getting involved and supporting our coaches. Your help makes a huge difference to the players and helps create a fun, positive and productive training environment for everyone.

Game Day Information

All games will be played at **Springdale Oval every Saturday**, with games running between **8:00am and 11:30am**.
The **team listed first on the fixture is the Home Team**. The Home Team will be positioned along the **1st Base Line** and will **field first**.
Remember: 1st listed = 1st Base = 1st to field!
Each team has 9 fielding positions and maximum 12 batting positions, each team normally has more than 9 players and players will find themselves on the bench periodically to allow all players opportunity to take the field.
In Tee-Ball and Junior Baseball we are focusing on skill development and game understanding, and we rotate players so that they have equal opportunity to play all positions throughout the season and each spend an equal time supporting their team from the bench.
On game day, players will need to wear their uniform, bring their gear and a drink bottle.
Players will remain with the team on the bench when not on the field; parents will sit along the sidelines to support their player/s.

First Game of the Season

The first game of the season will be played on **Saturday, 10 October 2026**.
Fixtures for the **Under 8s, Under 10s and Under 13s** are listed above.
Arrival & Warm-Up
Please arrive **at least 30 minutes before your scheduled game time**. This allows enough time for:

- Players to warm up and prepare for the game.
- Coaches to organise the team and go through any instructions.
- Parents to assist with field and dugout set-up.
- Players to get their equipment ready and be on the field on time.

Game Day Checklist

Please make sure your child arrives in the correct club uniform and is ready to play.
Players must have:

- **Full club uniform**
- **Shirt tucked in**
- **Club hat**
- **Glove**
- **Water bottle**

Please ensure your child has everything they need before arriving at the oval. Being prepared helps the team get organised quickly and ensures the coaches can focus on getting the players ready for the game.

Parent Involvement & Game Day Duties

Your team coach is giving up their **precious time each week** to train and coach your children. We really appreciate the commitment our coaches make to our players and families.
Please remember that **training and games are not a babysitting service**. Parents are expected to be present at all training sessions and games to watch, support and help out where needed. Your involvement is an important part of making the season enjoyable and successful for everyone.
At the start of the season, each team will be provided with a **parent roster** outlining the various duties that need to be shared throughout the season.

Parent Duties

Scorer
Keep the official score for the game, recording runs and outs. If there is an injury please document the time of the injury and a brief description of what occurred.
This link takes you to how to score Teeball, it was made by Willeton Teeball club it explains how to score nicely for anyone new to Teeball Scoring-Instructions.pdf if you need any clarification please ask.

Bench Manager
Help organise the players on the bench and ensure they are ready when it is their turn to bat or take the field. The Bench Manager helps keep the team organised and communicates with the coach when players are ready.

1st Base Coach
Stand in the designated coaching area at 1st base when your team is batting. Encourage and guide the batter and runners, help them understand when to run or stay, and provide positive support.

3rd Base Coach
Stand in the designated coaching area at 3rd base when your team is batting. Assist runners as they approach 3rd base, provide direction and encouragement, and help communicate decisions from the coach.

Base Umpire
Away teams are required to provide a base umpire. You do not need to be qualified, the role is to assist with umpiring the game, particularly making calls at 1st and 2nd base. If you wish to become a qualified umpire TBAWA provide umpiring clinics the club welcomes anyone who would like to become qualified. Please see link for umpire qualification dates. Upcoming Umpire Clinics – Tee-Ball Association of WA The Official Rules – Tee-Ball Association of WA

Set Up
set Up Duty arrive early and work together to get the field and team area ready. Please follow these requirements.

- Each team is responsible for setting up their own **dugout**, including **one large shade and two benches**.
- The **Home Team** is responsible for setting up the diamond using the **bases and tee from the Game Day Bag**.
- The Home Team is also responsible for setting up the **scorer's shade (small green shade)** if required.
- **Home team is on diamond set-up**
- Please work together and get the set-up completed as efficiently as possible so the team has plenty of time to warm up and prepare.
- If there are **no further games scheduled on your diamond after your game**, all parents and players are expected to help with pack up.

Pack Up
At the end of the game, help return the field and equipment to its appropriate place. This includes collecting bases, equipment and rubbish, packing away gear and leaving the area clean and ready for the next team.

Canteen Duty
We have a small canteen that sell drinks and snacks. You will be shown what is required on the day. Teams playing on diamond 2 are to supply 1 canteen helper for each game time slot.

Lolly Duty
Help organise and hand out the team's post-game lollies or treats, where applicable. This is a small but very popular job with the kids!

Sharing the Load
The purpose of the parent roster is to **share the workload fairly across all families**. Some duties may only take a few minutes, while others require you to be involved for part or all of the game.
Please check your roster before each game and make sure you know what duty you have been allocated. If you are unable to attend on your rostered day, it is your responsibility to **organise a swap with another parent** and let the Team Manager know.
Most importantly, we ask everyone to pitch in, support our coaches and create a positive environment for our kids. **It takes a team both on and off the field!**

Get Involved

Players love when their parents and supporters get involved. Ask your coach how you can help with training – even standing in the outfield to help catch stray balls, helping with equipment set up and pack away or throwing a ball with your player during warm ups is a great way to show your player the importance and value of getting involved and helping others.

Equipment Requirements

All Players have been provided with a team shirt which must be returned (washed) at the end of the season, lost or damaged uniforms will need to be replaced at your own expense.
The club provides a team kit bag which includes batting helmets, Pitcher
Helmets and Bats. Players will need to provide their own glove and black teeball pants (pants are provided to u8s).

You can purchase equipment through;

Natasha Bakranich All Girls Carnival

In 2021, the Huntingdale Tee Ball Club proudly launched the first-ever **All Girls Carnival**—an initiative born from their desire to address the noticeable drop in female participation around the age of 10, when the sport often becomes male-dominated. We recognised the importance of creating a space where girls could feel seen, supported, and inspired to continue playing. The goal was simple but powerful: to provide an event dedicated entirely to girls, where they could compete alongside peers their own age, showcase their skills, build confidence, and most importantly—have fun! Bendigo Bank kindly provided the club with a grant also supporting women in sport and we will display their support with a playing shirts this year for the Natsha Bakranich carnival. If your daughter would like to participate please let your coach know.

State Championships

Each year, the club enters a team(s) into the Tee-Ball State Championships, all players are encouraged to try out for the team. Players who make the team you are expected to attend all training sessions and all pre states carnivals as well as the championship carnival (unless unwell or injured).
Unlike weekly Tee-Ball games which focus on skill development, having a go at all positions and having fun, the States Teams are a more competitive environment where coaches will actively strategize to maximise winning potential. For players who make the team, this means being allocated positions (rather than rotating through positions) and being expected to work hard at training to increase their own skills and to further the development of the team.
If you are interested in trying out please let your coach know. We encourage all players to try out.

Players Code of Conduct

- Learn the rules of tee-Ball and always play by them.
- Be a good sport. Applaud all good plays whether they are by your team or the opposition.
- Players must wear correct footwear, hats and be suitably attired.
- Treat all players as you would like to be treated. Do not interfere with, bully or take unfair advantage of another player.
- Control your temper. Verbal abuse of officials or other players, deliberately distracting provoking an opponent is not acceptable or permitted in any sport.
- Never argue with an umpire, other players, coaches or officials. If you have a problem, discuss it with your coach and allow them to take the necessary action.
- Verbal abuse and/or deliberate physical interference with opponents will not be tolerated by your coach or umpires and will result in immediate removal from the game as per TBAWA rule book.
- Strive to play to your best ability at all times, both at training and during games.
- Respect the time and effort put in by your coaches and officials. They deserve your full support and commitment.
- Tee-Ball is a team game. Encourage your team mates even when they make mistakes.
- Remember every player makes errors and has off days. Never ridicule opponents or team mates.
- Accept that at all times you will be required to take equal turns on the bench. When on the bench, encourage your team and be prepared to play at all times.
- Respect your opponents and appreciate their good play. Without opposition you would not be able to play the game of Tee-Ball.
- Play for the fun of it and to improve your Tee-Ball skills, not just to please parents and coaches.
- Respect the equipment provided for your use. Tee-Ball equipment is very expensive and should be used responsibly. Abuse of equipment such as throwing helmets or bats is unacceptable.
- Always think of safety to avoid injuries to yourself and others.
- Foul language of any sort will not be tolerated.
- Players must still maintain their obligations to their club teams at both training and games.
