Coaches, I have made changes to the fixtures for the Friday night Twilight games on the 1st December but these changes also affect the u10 fixtures for this weekend.

Please let all your parents know of the changes and what is expected of them to help out with the Friday night twilight games.

Under 10's have been put on Diamond 1 closest to the pavilion to allow those parents to help out with BBQ - selling hotdogs and drinks, as that is their duty for the season.

Diamond 2 will be for the U8's and Diamond 3 for the U13's.

Please note - all U8's & U13's teams playing at 5pm to setup all 3 diamonds including bases, shades and benches. all U8's & U13's playing at 6:15pm to pack away all 3 diamonds at end of game. U10's

will setup BBQ, Shade and Tables for the portable canteen setup near top of ramp.
I have also completed the final Twilight game fixture and all fixtures will be posted here for you to pass onto your teams and updated online with Team App and website. Sorry I made a
