Players to be at the diamond **30 minutes before** the start time. This ½ hr is used to warm up the players so please be on time. Team listed first has bench on the first base line, sets up diamond & provides a base umpire. First base line fields first. Team on third base line packs up diamond after the game. (Parents, setting up and packing up the diamond is your job!) Team Coaches and Assistant Coaches are to warm up their players ready for their game.
