Game Day

All Games will be at Springdale Oval 8am to 1130am each Saturday.

Team listed 1st is home side and will be positioned on 1st base line and fielding first! (1st fields 1st)

The first game of the season will be on the 12th October 2024. Fixtures are listed above for U8's, U10's and U13's. Please arrive 30 minutes before the start of the game for warm ups and parents to help with setup.

Your team coach is giving up their precious time to train and coach your children each week! This is not a baby sitting service and you are expected to be there at all trainings and games to watch and helpout where needed!

Coaches have so much to do each week and do not have the time on game days to setup diamonds and drag equipment over from the equipment shed. This is the responsibility of all parents on that team to ensure they help out where needed. Please speak to your coach and find out how you can help.

- Each team are to setup their own dugout with one large shade and two benches.
- Home team to setup diamond with bases and Tee from Game day bag. Also Scorers shade (small green shade) if needed.
- Parents please assist your coach with all diamond setup so they have time to train and get your kids ready for their game.
- After the game, if no games are to be played on your diamond, then all parents and players to help with pack up.
- Please make sure all equipment is packed away neatly inside the equipment shed. If the shades or equipment are wet please leave them standing up in the open position inside the shed to dry and they can be packed away during the week at training.

Each team has 9 fielding positions and maximum 12 batting positions, each team normally has more than 9 players and players will find themselves on the bench periodically to allow all players opportunity to take the field.

In Tee-Ball and Junior Baseball we are focusing on skill development and game understanding, and we rotate players so that they have equal opportunity to play all positions throughout the season and each spend an equal time supporting their team from the bench.

On game day, players will need to wear their uniform, bring their gear and a drink bottle.

Players will remain with the team on the bench when not on the field; parents will sit along the sidelines to support their player/s.

Part of the Team

At Roleystone we believe that it's not just the players that make up the team, it's our family and supporters too. We strongly encourage family and supporters to get involved with your team and with your club – together we achieve more.

Key roles for the team are:

- Coach
- Assistant Coach
- Bench Manager
- First Base Coach
- Third Base Coach
- Scorer
- Base Umpire and Plate umpire
- First Aider
- Canteen volunteer when playing on Diamond One.
- Set up Delegate when first to play
- Pack up Delegate when last game
- Committee Delegate

If you are interested in volunteering for one of these roles, please let your coach know, otherwise a duty roster will be done to ensure all jobs are covered for the day.

Get Involved

Players love when their parents and supporters get involved. Ask your coach how you can help with training – even standing in the outfield to help catch stray balls, helping with equipment set up and pack away or throwing a ball with your player during warm ups is a great way to show your player the importance and value of getting involved and helping others.

Equipment Requirements

All Players have been provided with a team shirt which must be returned (washed) at the end of the season, lost or damaged uniforms will need to be replaced at your own expense.

The club provides a team kit bag which includes batting helmets, Pitcher Helmets and Bats. Players will need to provide their own mitt and black teeball pants (and may provide their own helmets and bats if desired).

You can purchase equipment through;

Get Kitted Out

We encourage wearing team colours on game day to show your support!

Roleystone Diamond Sports have Supporter apparel available to pre-order. Please speak to our uniform coordinator if you would like to purchase items like caps, shirts and hoodies.

Natasha Bakranich All Girls Carnival

In 2021, the Huntingdale Tee Ball Club proudly launched the first-ever **All Girls Carnival**—an initiative born from their desire to address the noticeable drop in female participation around the age of 10, when the sport often becomes male-dominated. We recognised the importance of creating a space where girls could feel seen, supported, and inspired to continue playing. The goal was simple but powerful: to provide an event dedicated entirely to girls, where they could compete alongside peers their own age, showcase their skills, build confidence, and most importantly—have fun! Bendigo Bank kindly provided the club with a grant also supporting women in sport and we will display their support with a playing shirts this year for the Natsha Bakranich carnival. If your daughter would like to participate please let your coach know.

State Championships

Each year, the club enters a team(s) into the Tee-Ball State Championships, all players are encouraged to try out for the team. Players who make the team you are expected to attend all training sessions and all pre states carnivals as well as the championship carnival (unless unwell or injured).

Unlike weekly Tee-Ball games which focus on skill development, having a go at all positions and having fun, the States Teams are a more competitive environment where coaches will actively strategize to maximise winning potential. For players who make the team, this means being allocated positions (rather than rotating through positions) and being expected to work hard at training to increase their own skills and to further the development of the team.

If you are interested in trying out please let your coach know. We encourage all players to try out.

Players Code of Conduct

- Learn the rules of tee-Ball and always play by them.
- Be a good sport. Applaud all good plays whether they are by your team or the opposition.
- Players must wear correct footwear, hats and be suitably attired.
- Treat all players as you would like to be treated. Do not interfere with, bully or take unfair advantage of another player.
- Control your temper. Verbal abuse of officials or other players, deliberately distracting provoking an opponent is not acceptable or permitted in any sport.
- Never argue with an umpire, other players, coaches or officials. If you have a problem, discuss it with your coach and allow them to take the necessary action.
- Verbal abuse and/or deliberate physical interference with opponents will not be tolerated by your coach or umpires and will result in immediate removal from the game as per TBAWA rule book.
- Strive to play to your best ability at all times, both at training and during games.

- Respect the time and effort put in by your coaches and officials. They deserve your full support and commitment.
- Tee-Ball is a team game. Encourage your team mates even when they make mistakes.
- Remember every player makes errors and has off days. Never ridicule opponents or team mates.
- Accept that at all times you will be required to take equal turns on the bench. When on the bench, encourage your team and be prepared to play at all times.
- Respect your opponents and appreciate their good play. Without opposition you would not be able to play the game of Tee-Ball.
- Play for the fun of it and to improve your Tee-Ball skills, not just to please parents and coaches.
- Respect the equipment provided for your use. Tee-Ball equipment is very expensive and should be used responsibly. Abuse of equipment such as throwing helmets or bats is unacceptable.
- Always think of safety to avoid injuries to yourself and others.
- Foul language of any sort will not be tolerated.
- Players must still maintain their obligations to their club teams at both training and games.

Parents Code of Conduct

- Children play tee-ball for fun. Accept any mistakes as part of their learning process.
- Remember they are playing for their enjoyment not yours.
- Encourage children to participate, do not force them.
- Don't leave your child at tee-ball. Stay and support them, volunteer to help and discuss your child's progress with the coach.
- Focus on the child's efforts and performance rather than winning or losing.
- Applaud good play from all teams.
- Encourage your child to play within the rules of tee-ball and accept the umpire's decision.
- Never ridicule, abuse or yell at your child for making mistakes or losing a game.
- Offensive behaviour from parents or spectators is not acceptable under the rules of tee-ball and stern action will be taken against offenders.
- Recognise the value and importance of the volunteer coaches and officials. They give of their time and knowledge to provide organized tee-ball for your child and deserve your respect and support.
- Tee-ball is a team game. Accept and understand that at all times your child may be asked to take a turn on the bench.
- Not all children can be champions. Do not force an unwilling child to participate in tee-ball or expect more from your child than their best efforts.
- Respect officials' decisions and teach children to do likewise. Remember children learn best through example.
- If you disagree with an official or coach, raise the issue through the appropriate channels rather than question the person in public.
- Foul language of any sort will not be tolerated.
- Support all of the team, not just your child, and remember the coach is there for the whole team and not individuals.
- As commitment to training is essential, the coach must be advised if a player cannot attend a training session. It is important to note that training for State Teams often take place throughout the Christmas break.

- Please advise the coach no later than the previous evening if their child is not going to be available through either injury or illness to enable changes to be implemented.
- Derisive comments aimed at the umpire or officials are unacceptable and only bring the club into disrepute.
- Show appreciation of volunteer coaches, umpires and officials. Without them, your child could not participate.

Spectators Code of Conduct

- Remember that children play sport for their enjoyment, not yours.
- Applaud good performance and efforts from each team. Congratulate all participants upon their performance regardless of the games' outcome.
- Respect officials' decisions and teach the children to do the same.
- Never ridicule or scold a child for making a mistake. Positive comments are motivational.
- Condemn the use of violence in any form, be it spectators, coaches, officials or players.
- Show respect for your teams opponents. Without them there would be no game.
- Encourage the players to follow the rules and officials' decisions.
- Do not use foul language or harass players, coaches or officials.

Teeball Rules

Tee-ball, like any sport, has a number of rules to which the game is played by. The rules are not designed to be restrictive, they are designed to ensure;

FUN • FAIR PLAY • FUNDAMENTAL SKILLS • FAMILY INVOLVEMENT

Readers should ensure they consult the full rule book for more detail, that rule book is available from the TBWA or click the link [The Official Rules – Tee-Ball Association of WA](#)

RDS By-Laws for Teeball

Under 8 Tee-ball Competition

Changes to Tee-Ball Association of Western Australia rules using the following By-Laws, Dated: 28th September 2025.

Objective: These rule changes are designed around the principal of children being introduced to diamond sports and is to encourage participation without encroaching too much on the true fundamentals of the game.

Additional Rules:

3.2.1. Scores – Scores are not to be kept or advised at the end of the game. It is still a requirement that the game is scored to ensure the correct batting line up and as practice for parents and helpers in the future. No score tally is to be placed in the bottom of the score books or discussed / indicated at the end of the game.

3.2.2. Five strikes for all games up until the Christmas break – Players batting will be allowed to attempt to hit the ball off the tee for up to 5 times during all games up until the Christmas break of the season. After the Christmas break, all games will revert to the 3 strikes rule.

3.2.3. Plays to First Base – a player (batter) shall only be given out going to first base by a throw made to first base and the base touched in a legal manner. OR the player on first base making a legal tag on the

batter. Rule 3 is designed to prevent the 'run down plays' usually by the pitcher or catcher and is designed to improve the 'throw out' fundamental which will be required for later years. These rules have been ratified and approved by the 2025-26 RDS Committee, Rick Spring RDS – Umpire Co-Ordinator.

3.3. Other Tee-Ball Teams

3.3.1. Tee-ball teams who are not in the Under 8 Tee-ball Competition will abide by the official Tee-ball rules as published by the Tee-Ball Association of Western Australia.

3.3.2. The game should last for a minimum period of one (1) hour however games must finish on an even innings. Do not commence further innings within 5 minutes of the scheduled finish time if the innings are even.

3.3.3.
